ABSTRACT

This report mentions the 考試院長 許水德 先生 philosophy. The first part mentions the character that a leader should posses. He mentions a leader should absorb annoy or nuisance. If he cannot do so, he cannot be a successful leader. The second part mentions the concept to manage a protest without causing any further problem. As there are many protests in Taipei now, it is very important to manage and calm down a protest. This report mentions the concept to achieve this goal.

Keywords: Annoy, leader character, manage a protest.
